STONEBRIDGE SLATE
President's Message

Good day, neighbours! I hope you and your families are keeping well. Right now, we're still in the midst of uncertainty, but the community association is cautiously moving ahead with some plans for the fall.

Typically, in the fall, the community association would be gearing up to offer a full host of programming and sports offerings for the Stonebridge residents; however, this year, due to ongoing health concerns, we will not be able to do so. The possibility of offering Winter (January to March) programming will be evaluated as the year progresses, and updates will be posted to our website as they become available. We're looking forward to getting back to offering our programs once we are able to do so, and we appreciate your help in keeping everyone safe and healthy!

The SMBA has postponed registration for basketball this fall until we get the "return to play" go ahead from the province. You can keep an eye on their website at smba.ca for updates.

We are able to offer fall indoor community soccer registration, with some modifications, as described within this newsletter and at our website.

Our Annual General Meeting, which was postponed in April, will now be a virtual meeting, held on September 9, 2020. To register to participate in the meeting, and/or to volunteer for the community association executive, please email ourstonebridge.info@gmail.com.

Always look to our website for the latest community and civic news, City of Saskatoon updates, and programs offered by the community association. You can also follow our community association page on facebook for notifications on what we've got coming up. Any changes to our plans will be communicated through email and on our website/facebook page.
