

the STONEBRIDGE SLATE

PRESIDENT'S MESSAGE

Greetings from the Community Association! Our board is comprised of dedicated individuals who volunteer their time to improve the quality of life for themselves and others in the community. I am so grateful to the members of the community who volunteer their time and efforts to bring our community closer together through events, programming, and so much more.

Updates from the Stonebridge Community Association:

Coming up on September 10th will be our fabulous Movie in the Park. This is always a favourite event for the neighbourhood and we are grateful to our volunteers and sponsors who help make it happen. Look for more details on our Facebook page and website!

Registration for fall programming will be online again this year, with links for online registration at our website, ourstonebridge.ca. More information is in this newsletter, but please refer to our website for the most up-to-date details. Remember that each family will have to purchase a community association membership to register for Stonebridge programs this fall, as all memberships expire July 31st of each year. (Stonebridge programs are open to residents of other neighbourhoods as well; Stonebridge will honour valid community association memberships from another neighbourhood.)

We're all getting excited about planning for our rink (to be located adjacent to the spray park) and fundraising for the construction! If you are interested in helping out, let us know!

Always look to our website for the latest community and civic news, City of Saskatoon updates, and programs offered by the community association. You can also follow our community association page on facebook for notifications on what we've got coming up. You can contact me with feedback or suggestions at ourstonebridge.info@gmail.com.

RINK UPDATE & CALL FOR SPONSORSHIP

Hi everyone,

The city of Saskatoon will be constructing an amenity building that will double as the rink shack and the rink's water supply, but its construction has now been postponed until the spring of 2022. Because the construction and functionality of the rink depends on it, the construction of the rink has also been delayed until Spring 2022. This is unfortunate but also presents new opportunities as we will continue to look for partnerships, sponsorships, donations and/or volunteers from not only residents but businesses within Stonebridge to make this rink a true community build.

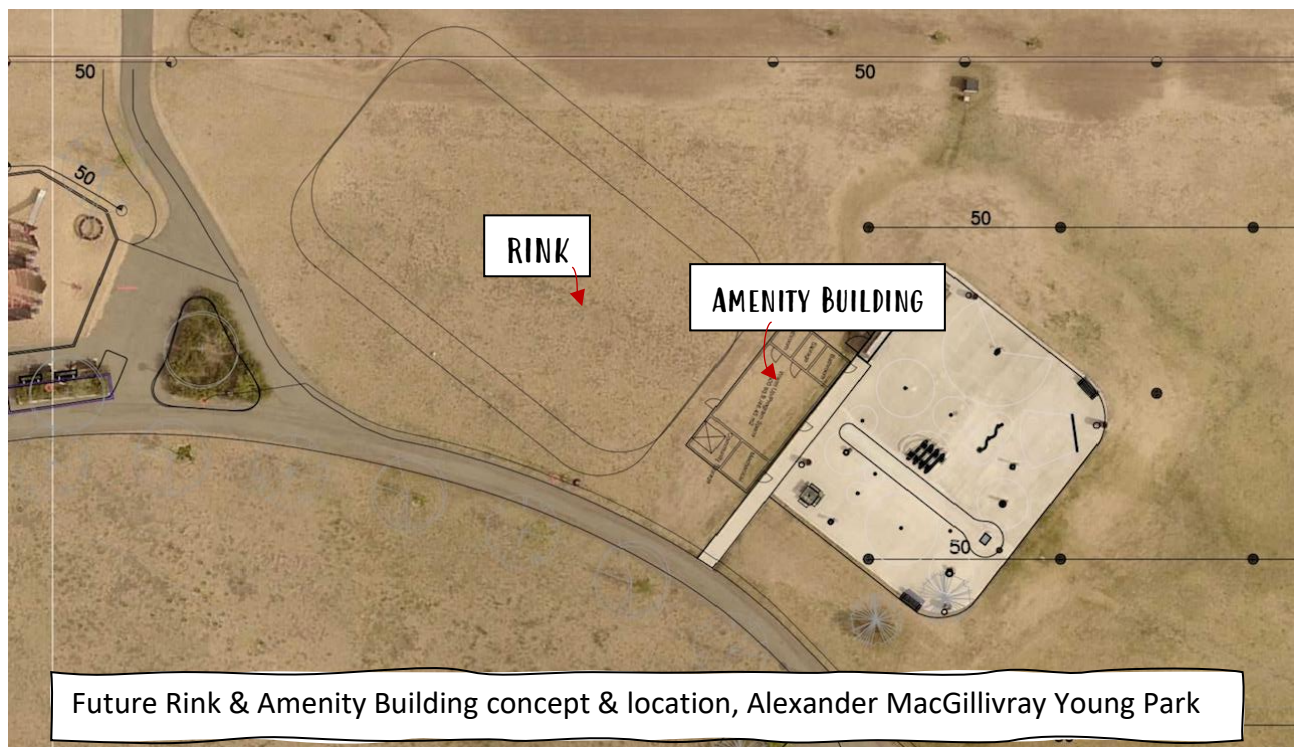

We're also actively looking for potential rink sponsors and partnerships!

Through the fall and winter, we will be continuing to pursue fundraising opportunities for the rink. If you own or work for a (preferably Stonebridge-based) business or want to be involved in the construction of the rink by sponsoring, partnering or donating either in-kind or financially, we have an extended window to make an impact and build the best possible rink for our neighbourhood.

Our Trivia Night series to support the rink continues September 23rd, 2021 via Zoom—tickets will be available in the coming weeks.

Your Stonebridge Rink Coordinators,

Brahm Enslin – brahmenslin@hotmail.com & Rayna Fisher – raynafisher@hotmail.com

COMMUNITY ENGAGEMENT

Hi everyone,

As we re-adjust from an abnormal year, the Stonebridge Community Association will be looking to offer new events and ideas for our neighbourhood - but we would like to do so with your input! To get a better idea of what's important to you, we have put together a very brief survey* which includes a space for your input on what events we could consider providing. So long as it is safe to do so, we are excited to facilitate events in-person, including our annual Movie in the Park (Friday, September 10th), or digital events such as our Trivia Night series to support the development of our future rink.

Please feel free to contact me if you or your business have any ideas for collaboration within the community and with projects like the rink - the sky is the limit. If you are looking to volunteer or help out in any way, or to contact us for any reason, please reach out and someone will respond to you as quickly as possible.

I look forward to hearing from you!
