

the **STONEBRIDGE SLATE**

PRESIDENT'S MESSAGE

Greetings from the Community Association!

Updates from the Stonebridge community association:

Coming up on September 9th will be our fabulous Movie in the Park. This is always a favourite event for the neighbourhood, and we are grateful to our volunteers and sponsors who help make it happen. Look for more details on our Facebook page and website!

Registration for fall programming will be online, from August 22nd to September 2nd. More information is in this newsletter, but please refer to our website for the most up-to-date details. Remember that each family will have to purchase a community association membership to register for Stonebridge programs this fall, as all memberships expire July 31st of each year. Stonebridge programs are open to residents of other neighbourhoods as well; Stonebridge will honour valid community association memberships from another neighbourhood.

We're all getting excited about planning for our rink which will be located adjacent to the new Amenity Building that is being built by the City of Saskatoon, which will be right next to the spray park. If you are interested in helping out with the rink construction, let us know!

Our board is comprised of dedicated individuals who volunteer their time to improve the quality of life for themselves and others in the community. I am so grateful to the members of the community who volunteer their time and efforts to bring our community closer together, through events, programming, and so much more.

Always look to our website for the latest community and civic news, City of Saskatoon updates, and programs offered by the community association. You can also follow our community association page on Facebook for notifications on what we've got coming up. You can contact me with feedback or suggestions at ourstonebridge.info@gmail.com.

INDOOR BASKETBALL INFORMATION

Saskatoon Minor Basketball Association (SMBA) registration is now open for the 2022-23 season — and there is a new league option for young athletes looking to push themselves!

PREMIER LEAGUE

For the upcoming season, SMBA is introducing a city-wide premier league for the Grades 5-6 and Grade 7-8 divisions, for both boys and girls. Each division will be made up of four teams, with players interested in the premier league being evaluated independently by Golden Ticket Sports at a camp in mid-September. Players will then be drafted based on their skill level and placed on city-wide teams, not community-based teams. Teams in the premier league will practice two times per week and play once per week.

COMMUNITY LEAGUE

For those who would prefer to play in the traditional community-based league, registration is open for the community development league for kids from Grade 3-12. As in past years, games are played on Saturdays, while one practice per week is arranged between the team's coach and our Stonebridge community coordinators.

DUNKAROOS

For the next generation of hoopers who are just getting started, Dunkaroos league registration for Grades 1-2 is open until Aug. 31. the program runs one hour each Saturday at the same time and same gym. When registering, you will be able to choose from various time slots. Groups consist of six to eight players per coach, with each player receiving a basketball and t-shirt.

For any questions, please contact Stonebridge basketball coordinators Leah and Dave Deibert. Or, to register, head to smba.ca!

RECREATION AMENITY BUILDING PROJECT UPDATE

In 2019, City Council approved funding for additional recreation amenities in Evergreen (Funk Park); Hampton Village (Al Anderson Park); Rosewood (Glen Penner Park); Stonebridge (Alexander MacGillivray Young Park); and Willowgrove (Wallace Park) neighbourhoods. This funding includes rink utility connections for Evergreen, Rosewood, and Stonebridge community rinks.

Funding for these items were established through a Community Centre Levy first implemented in 2003 for Hampton Village and Willowgrove neighbourhoods; and subsequently implemented for Evergreen, Rosewood and Stonebridge neighbourhoods. This levy was adopted by City Council in 2002 and was agreed upon by local developers that the Community Centre Levy was the best approach to ensure the development of a community hub, given there was no guarantee for elementary schools to be built.

Construction of the amenity building in Alexander MacGillivray Young Park is scheduled to begin later this year; it will be placed adjacent to the spray pad that is behind the Stonebridge schools. The layout for the Stonebridge amenity building will be similar to the building that is currently being built in Glen Penner Park in the Rosewood neighbourhood.

Construction of our Stonebridge community rink will be planned and coordinated with the city's construction of the Stonebridge Amenity Building. For more information on the amenity building, contact Kevin Ariss, Community Consultant for the City of Saskatoon.

Amenity Building Features:

- Program/warm up space
- Accessible Washrooms
- Community storage area (including water connection for future outdoor rink)
