

the STONEBRIDGE SLATE

PRESIDENT'S MESSAGE

Good day, neighbours!

Updates from the Stonebridge community association: we know that everyone is excited to get the rink up and running; however, we weren't able to complete the construction for this winter season. I know this news is a disappointment to many in the community who are eagerly anticipating the rink build. I understand the importance of having recreational facilities like the skating rink available to our community, especially during the winter months. Your patience and understanding are greatly appreciated. We are working diligently to ensure that the rink will be ready for next winter – if you would like to help out with the planning and construction, please let me know at ourstonebridge.info@gmail.com!

We are still looking to fill some key positions on our community association executive. Volunteering in your community is a rewarding and fulfilling experience. Not only does it give you an opportunity to give back and make a positive impact on those around you, but it also helps to build a stronger and more connected community. By lending your time and talents, you can help to address important issues, bring people together, and create lasting change. So why not make a difference today and consider volunteering in your neighborhood? You'll not only feel good about making a positive impact, but you'll also meet new people, gain new skills, and have a lot of fun in the process. We are in need of leaders and champions for our community programs and events!

Please share your opinions, ideas, and feedback by contacting me with suggestions at ourstonebridge.info@gmail.com.

CROSS COUNTRY SKI TRAIL

We're so glad to hear community members are enjoying the groomed cross country ski trails in Blair Nelson Park!

Weather and snow permitting, the trails will continue to be groomed by the City of Saskatoon over the next couple of months.

Crews will work to reset trails within 48 hours on business days following the City's main trails when there is a snowfall of 3-5cm, or significant wind event causing snow drifting.

If you enjoy walking in areas where there are ski trails, please respect skiers and avoid walking on the groomed trails as footprints can damage the ski tracks.

Dogs are also not permitted on ski trails.
